RCM Report

March 3, 2012

Greetings Family,\

The RCM team learned a lot of valuable information at the Regiona Assembly and it was well attended. There is a large amount of information in the CAR and CAT that affects everyone in N.A. this is your opportunity to be involved in decisions affecting N.A. as whole. The RCM team hopes you will take the time to educate yourself and get involved by reading the CAR & CAT and voting. We have included one CAR/CAT tally sheet in

each GSR's folder, feel free to additional copies. Please make them available as soon as possible to allow every addict an opportunity to vote before their next group conscious. The tally sheets will need to be turned in at the April's ASC. We are aware of concerns regarding the voting process and hope tha God's conscious will prevail.

Here are some things that are being done to address the RSC financial accountability. An Ad Hoc Committee was formed to elaborate on streamlining the financial strain on the RSC. The RD was directed to obtain three competitive bids for group umbrella insurance. Motion 011412-01 was passed on the RSC floor which is the directive- To direct the Show Me RSO BOD to provide the Show Me RSC Secretary within 30 calendar days a feasibility study for the closure and dissolution of the Show Me Regional Office.

Please remember to bring your tally sheets to the April ASC and also a friendly reminder that you can review the CAR & CAT for free at na.org/conference. We need to collect Regional votes for the following motions.

Motion 011412-04	passed	3y-2n-2a
Motion 011412-05	passed	5y-2n-0a
Motion 011412-06	passed	4y-3n-0a
