Subcommittee Reports

RCM

Hello Family just a small report from the Dec 2017 Regional meeting. First our room rent has raised after taxes the rate is \$104.40. I am turning receipts into treasurer today. The hotel will include the breakfast buffet next time for a small charge of \$10.00 and I believe it is per person.

The motions taken back to Region all passed. The insurance to accept the bid from Vista International and add to the guidelines about the Regional chair being responsible for insurance updates. We also had a workshop to Train the Trainer part 2. We broke into groups and discussed the good and bad when taking on new position. Only the most important parts of this was when someone is in service to never criticize their duties but instead to follow up with a call to see if they need help.
