RCM Report

March 5, 2022

Greetings Family,

Your RCM team has no new information from region at this time. We will be taking the group votes for the regional motion and also the regional resume that we sent to groups in the RCM packet at last month's ASC.

Also, we would like to remind the groups we will need their CAR results back no later than the April ASC. We will need to turn them in at the RSC in April.

If your group has any questions or concerns that you would like addressed at the RSC, please see your RCM team and we will bring them to region. We will try to get as much information for your group as possible.

In Loving Service,

Your RCM Team
