RCM Report

January 7, 2023

Greetings Family,

As many of you heard there will be no in person region for January. Region will take place on the Zoom format. So, our area will not be hosting the region this January. Your RCM team will find out if our area will be going back to the regular schedule of hosting, which will be in April 2023. More will be revealed concerning this topic.

The CAR 2023 is now available at <https://www.na.org/?ID=conference-index> for your group to participate. The tally sheets for all addict's vote are in your group's mailbox. Please remember this is where every addict has a voice and vote concerning the NA fellowship. If your group needs guidance concerning the CAR see your RCM team and we will try to answer all your questions if possible. Also, if your group needs help with the CAR, as some groups are new, we may be able to get a member to help out who has experience in previous CAR's. See your RCM team for that also. The CAR results from the groups needs to be turned in to the area no later than the April ASC, so that we can turn the results into the regional delegate at the April RSC.

As for any new business from region there is none at this time. If your group has and questions or concerns for the region, please see your RCM team and we will try to get as many answers and or explanations for your group.

In Loving Service,

Your RCM Team
