RCM Report

October 5, 2024

Greetings Family,

Your RCM team has no regional business to report this month. However, there is some information to pass on to the groups from NAWS. There is new information concerning the CAR and the 2023 World Service Conference. Also, there is information on how to get recordings of workshops and main meetings from the convention if interested. Email is attached.

The next region will be held October 11 & 12, 2024 at Capital Plaza in Jefferson City. Your RCM team will be attending next weekend. If you would like to check out regional service work, please feel free to attend. All are welcome. Also, if your group has any questions or concerns at the regional level, please direct them to your RCM team and we will try to get them addressed at the next region. Last month we forgot to get your group votes for the motion and nominations following our report so immediately following this report, we will be taking your groups votes on the motion and nominations for the regional positions.

In loving service,

Your RCM Team
