## **Primary Purpose Area of Narcotics Anonymous Statement**

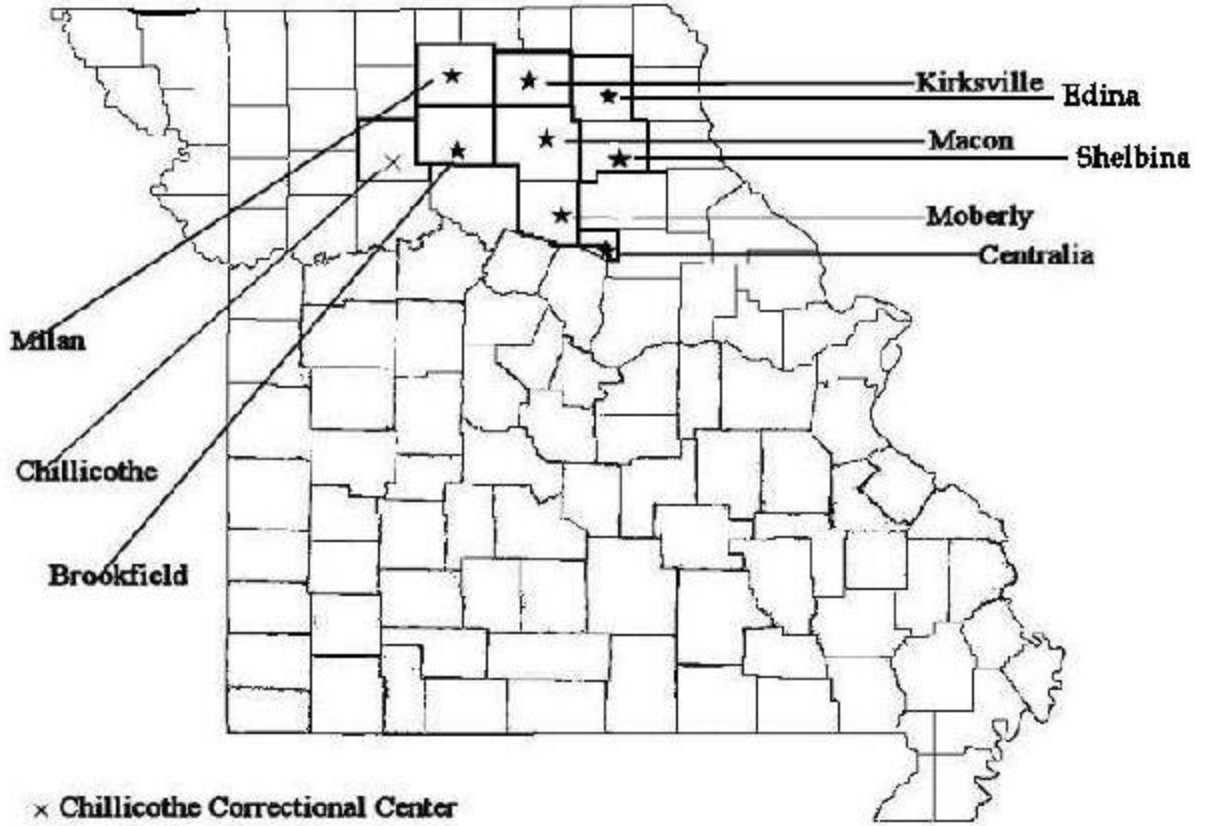

### *Preamble*

“Everything that occurs in the course of NA service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers. It was for this reason that we began this work. We must always remember that as individual members, groups and service committees, we are not, and should never be, in competition with each other. We work separately and together to help the newcomer and for our fellowship; it prevents us from providing the service necessary for growth.” Page xvi, Narcotics Anonymous (Fifth Edition).

### *Nature of Leadership in Narcotics Anonymous*

“The 2<sup>nd</sup> Tradition concerns the nature of leadership in NA. We have learned that in our fellowship, leadership by example and by selfless service works and that direction and manipulation fail. We choose not to have presidents, governors or directors. Instead, we have secretaries, treasurers, and representatives. These titles imply service rather than control. Our experience shows that if a group becomes an extension of the personality of the leader or certain members, it loses its effectiveness. An atmosphere of recovery in groups is one of the most valued assets, and we must guard it carefully lest we lose it to politics and personalities.” Page 61, Narcotics Anonymous (Fifth Edition).

## **Introduction Of An Area**

*(2014)*

The Area Service Committee (ASC) of the Primary Purpose Area, is a committee made up of Group Service Representatives (GSR's) from groups within the Primary Purpose Area, which meets monthly for the express purpose of serving the specific needs of members and groups.

The most important service of the ASC is that which it provides to its member groups. Whenever a group has a specific situation or need, which it has not been able to handle on its own; it can come to the ASC for help. These situations are almost limitless in scope; however, we have learned that we can get much accomplished when we work together.

The ASC performs other functions, which are of help to the groups. It can help groups get started or give aid to floundering groups. It may hold workshops or seminars for NA members. The ASC handles whatever functions are necessary or helpful to its groups.

In order to provide services an ASC needs the active participation of its GSR's. A group supports its ASC both financially and physically. It takes money to provide these services. It is a group's responsibility to extend this support. However, as an Area grows, the financial needs of the committee also grow. To provide a full line of services, an ASC requires a steady reliable flow of money. However, when possible, we will assist funding the Area-Trusted Servants in fulfillment of their duties. Some Areas provide these funds through activities. Alternated sources of financial support are helpful, but the bulk of the responsibility still falls on the members of groups. The 7<sup>th</sup> Tradition of Narcotics Anonymous states that, "Every NA group ought to be fully self-supporting declining outside contributions." The active participation of each GSR is essential for a successful ASC. Each GSR must keep their group informed and must represent that group's conscience in all committee decisions. GSR's should evaluate each vote in terms of the needs of those they serve, and the needs of the Area in terms of NA as a whole. In addition, a GSR participates in carrying out the ASC's other functions. The attracting of new members, the planning and implementation of activities, and the aid given to groups with special needs requires more effort than meeting monthly.
